

Chinese-Medium Undergraduate Programs			
No.	School Name	Discipline	Major
1	School of Highway	Road, Bridge and River-crossing Engineering	Road, Bridge and River-crossing Engineering
2	School of Automobile	Vehicle Engineering	Vehicle Engineering
3	School of Construction Machinery	Mechanical Engineering	Mechanical Engineering
4	School of Economics and Management	Logistics Management	Logistics Management
		Business Administration	Business Administration
			Marketing
		Management Science and Engineering	Engineering Management
		Economics	International Economics and Trade
5	Information Engineering School	Computer	Computer Science and Technology
			Software Engineering
			Internet of Things Engineering
		Electronic Information	Electronic Information Engineering
			Communication Engineering
			Artificial Intelligence
6	School of Geological Engineering and	Geology Engineering	Geology Engineering
7	School of Civil Engineering	Civil Engineering	Civil Engineering

8	School of Water and Environment	Environmental Science and Engineering	Environmental Engineering
			Environmental Science
9	School of Architecture	Architecture	Architecture
10	College of Transportation Engineering	Communications and Transportation	Communications and Transportation
11	School of Humanities	Public Management	Public Administration
			Public Service Administration
		Journalism & Communication	Journalism
			Chinese Language and Literature
12	School of Energy and Electrical Engineering	Electrical Engineering and Automation	Electrical Engineering and Automation

Chinese-Medium Master Programs			
No.	School Name	Major	Research Field
1	Highway School	Civil Engineering	Bridge Engineering
			Tunnel Engineering
			Geotechnical Engineering
			Disaster-Prevention & Reduction Engineering & Protection Engineering
		Transportation Engineering	Highway and Airport Engineering
			Route Engineering
2	School of Automobile	Vehicle Engineering	Vehicle Engineering
3	School of Construction Machinery	Mechanical Engineering	Mechanical Manufacture and Automation
			Mechatronic Engineering
			Mechanical Design and Theory
			Construction Machinery
4	School of Electronics and Control Engineering	Control Science and Engineering	Control Theory and Control Engineering
			Testing Technology and Automation Devices
			Systems Engineering
			Module Identification and Intelligence System
			Navigation, Guide and Control

		Transportation Engineering	Traffic Information Engineering and Control
			Information Management and Information Systems
5	Information Engineering School	Computer Science and Technology	Computer System Structure
			Computer Software and Theory
			Computer Applications Technology
		Transportation Engineering	Traffic Information Engineering and Control
		Software Engineering	Software Engineering
		Cyberspace Security	Cyberspace Security
6	School of Geological Engineering and Geomatics	Geological Resources and Geological Engineering	Geodetection and Information Technology
			Geology Engineering
7	School of Earth Science and Resources	Geology	Mineralogy, Petrology, Mineral Deposit Geology
			Geochemistry
			Paleontology and Stratigraphy
			Tectonics Geology
			Quaternary Geology
			Geo-information System

		Geological Resources and Geological Engineering	Mineral Resource Prospecting and Exploration
			Oil and Gas Field Geology and Development
8	School of Civil Engineering	Civil Engineering	Geotechnical Engineering
			Disaster-Prevention & Reduction Engineering & Protection Engineering
			Civil Engineering Construction & Management
			Structural Engineering
			Urban Infrastructure Engineering
			Heat, Gas Supply, Ventilation and Air-conditioning Engineering
9	School of Water and Environment	Environmental Science and Engineering	Environmental Science
			Environmental Engineering
			Environmental Geology
10	School of Architecture	Architecture	Architecture
11	College of Transportation Engineering	Transportation Engineering	Transportation planning and management
			Transportation Engineering
12	School of Humanities	Public Management	Public Administration
			Public Policy
		International Chinese Language Education	International Chinese Language Education
13	School of Energy and Electrical Engineering	Electrical Engineering	Electrical Engineering

Chinese-Medium Ph.D Programs

No.	School Name	Major	Research Field
1	Highway School	Bridge and Tunnel Engineering	Bridge and Tunnel Engineering
		Road & Railway Engineering	Road & Railway Engineering
2	School of Automobile	Vehicle Engineering	Vehicle Engineering
3	School of Construction Machinery	Mechanical Engineering	Mechanical Manufacture and Automation
			Mechatronic Engineering
			Mechanical Design and Theory
4	School of Economics and Management	Logistic Engineering and Management	Logistic Engineering and Management

5	School of Electronics and Control Engineering	Traffic Information Engineering and Control	Traffic Information Engineering and Control
6	School of Information Engineering	Traffic Information Engineering and Control	Traffic Information Engineering and Control
7	School of Geological Engineering and Geomatics	Geological Resources and Geological Engineering	Geodetection and Information Technology
			Geology Engineering
8	School of Earth Science and Resources	Geology	Mineralogy, Petrology, Mineral Deposit Geology
			Geochemistry
			Paleontology and Stratigraphy
			Tectonics Geology
			Quaternary Geology
			Geo-information System
		Geological Resources and Geological Engineering	Mineral Resource Prospecting and Exploration

9	School of Civil Engineering	Structural Engineering	Structural Engineering
10	School of Architecture	Urban and Rural Human Settlement Construction Engineering	Urban and Rural Human Settlement Construction Engineering
11	School of Marxism	Environment and Social Development	Environment and Social Development
12	School of Water and Environment	Environmental Science and Engineering	Environmental Science
			Environmental Engineering
			Environmental Geology
			Traffic Environment and Safety
13	School of Land Engineering	Environmental Science and Engineering	Land Engineering
14	College of Transportation Engineering	Transportation Planning and Management	Transportation Planning and Management
15	School of Energy and Electrical Engineering	New Energy and Power Engineering	New Energy and Power Engineering
